

High Efficiency Power Generator 400V 230V 1 Year Warranty

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Power: 20-1000kW
- Fuel: Diesel
- Frequency: 50Hz/60Hz
- Phase: 3 Phase
- Product Name: Diesel Generator
- Starting System: Electric Start
- Noise Level: Low
- Highlight: **High Efficiency Power Generator, 400V Power Generator**

Product Description

Product Description:

Diesel Generator is a powerful diesel-powered generating equipment designed for industrial and commercial use. This Diesel Power Generator utilizes diesel fuel, and is available in 3-phase, 400V/230V voltage. It features an electric start for easy operation, and is designed to deliver reliable power output. It is ideal for a variety of applications, from industrial and commercial settings to residential and emergency back-up power. With its impressive power output and durability, the Diesel Electric Generator is an excellent choice for those looking for reliable and efficient power generation.

Features:

Diesel Generator: Product Name

High Efficiency: Efficiency

50Hz/60Hz: Frequency

3 Phase: Phase

: Controller

Electric Start: Starting System

Technical Parameters:

| Attribute | Value |
|-----------------|------------------|
| Phase | 3 Phase |
| Noise Level | Low |
| Frequency | 50Hz/60Hz |
| Power | 20-1000kW |
| Product Name | Diesel Generator |
| Speed | 1500rpm/1800rpm |
| Controller | |
| Voltage | 400V/230V |
| Starting System | Electric Start |
| Warranty | 1 Year |

Applications:

Diesel Generating Equipment is a reliable source of electricity for a variety of applications, ranging from residential to commercial and industrial. It is a diesel engine powered generator that is certified with ISO9001, providing customers with high-efficiency and low-noise level operation. It has 400V/230V voltage and is delivered in a wood case packaging. The minimum order quantity is 1, and the price is negotiable. When it comes to delivery time and payment terms, it takes 10-15 days and it accepts L/C, D/A, D/P, T/T, Western Union, MoneyGram. The supply ability is 1000 pieces per week. It is a Diesel Generator, which is the perfect choice for your power generation needs.

Customization:

Diesel Generating Equipment

Brand Name:

Place of Origin: China

Certification: ISO9001

Minimum Order Quantity: 1

Price: Negotiation

Packaging Details: Wood case

Delivery Time: 10-15 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
Supply Ability: 1000 pieces per week
Warranty: 1 Year
Controller:
Noise Level: Low
Efficiency: High
Speed: 1500rpm/1800rpm
Diesel Generating Machine
Brand Name:
Place of Origin: China
Certification: ISO9001
Minimum Order Quantity: 1
Price: Negotiation
Packaging Details: Wood case
Delivery Time: 10-15 days
Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
Supply Ability: 1000 pieces per week
Warranty: 1 Year
Controller:
Noise Level: Low
Efficiency: High
Speed: 1500rpm/1800rpm
Diesel Power Generator
Brand Name:
Place of Origin: China
Certification: ISO9001
Minimum Order Quantity: 1
Price: Negotiation
Packaging Details: Wood case
Delivery Time: 10-15 days
Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
Supply Ability: 1000 pieces per week
Warranty: 1 Year
Controller:
Noise Level: Low
Efficiency: High
Speed: 1500rpm/1800rpm

Support and Services:

Diesel Generator provides technical support and services to ensure the optimal performance of our products.

We offer a variety of technical support and services, including:

Pre-installation assistance

On-site installation and commissioning

Technical training

Maintenance and repair

Parts and supply services

Our technical support team is available to answer any questions or concerns you may have regarding the installation, operation, or maintenance of your Diesel Generator.

We also offer extended service contracts that include parts and labor, as well as extended warranty options.

Packing and Shipping:

Packaging and Shipping

Diesel Generator is packaged in a cardboard box, with foam padding inside to protect the product from damage during shipping. The package is labeled with the product name, model number, and any other necessary information. It is then shipped to the customer via ground or air freight, depending on their location and the urgency of the order.

FAQ:

Q: What is Diesel Generator?

A: Diesel Generator is a diesel powered generator produced by , a worldwide leading brand in the engine industry. It is manufactured in China and certified with ISO9001.

Q: What is the minimum order quantity?

A: The minimum order quantity is 1.

Q: What is the price?

A: The price is negotiable.

Q: How is the packaging?

A: The packaging is wood case.

Q: How long is the delivery time?

A: The delivery time is 10-15 days.
