

## Electric Manual SDEC Diesel Generator Equipment 220V 380V 400V 415V 440V 480V

Our Product Introduction

for more products please visit us on [diesels-generators.com](http://diesels-generators.com)

### Basic Information

- Place of Origin: China
- Brand Name: Sdec
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

### Product Specification

- Fuel: Diesel
- Control System: Automatic/Manual
- Type: Diesel Generator
- Speed: 1500/1800rpm
- Starting System: Electric/Manual
- Warranty: 1 Year
- Power: 10-1000KW
- Cooling System: Air/Water
- Highlight: **380V SDEC Diesel Generator ,  
400V SDEC Diesel Generator ,  
Diesel Generator Equipment 220V**

## Product Description

### Product Description:

#### SDEC Diesel Generator

SDEC Diesel Generator is a generating unit powered by SDEC Diesel Engine. It is designed for a wide range of applications and comes with reliable control system and comprehensive protection system. This generator provides automatic and manual control system with overload, high temperature, and low oil pressure protection. It also has low noise operation, offering 1-year warranty and efficient energy output.

SDEC Diesel Generator offers excellent fuel economy, low maintenance, and long-term reliability. It is also equipped with a high-performance engine that ensures maximum output and stable operation. With its advanced technology, this generator provides reliable and efficient performance, providing you with a reliable source of energy for years to come.

Choose SDEC Diesel Generator for reliable and efficient energy output. Enjoy the peace of mind with its 1-year warranty and low noise operation. Get the most out of your energy needs with this reliable and efficient generator.

### Features:

Product Name: SDEC Diesel Generator

Starting System: Electric/Manual

Warranty: 1 Year

Noise: Low

Protection System: Overload/High Temperature/Low Oil Pressure

Cooling System: Air/Water

### Technical Parameters:

Attribute	Value
Product Name	SDEC Diesel Generator
Power	10-1,000KW
Fuel	Diesel
Type	Diesel Generator
Warranty	1 Year
Speed	1500/1800rpm
Control System	Automatic/Manual
Frequency	50/60Hz
Brand	SDEC
Cooling System	Air/Water
Voltage	220V/ 380V/ 400V/ 415V/ 440V/ 480V

### Applications:

#### SDEC Diesel Generator - Powering Multiple Applications

SDEC Diesel Generator sets can power a range of applications, from residential and commercial to industrial and special purpose applications. These generators provide reliable and efficient power in a variety of locations and applications. Whether you need a generator for your home, office, factory, or special purpose, SDEC Diesel Generators have the power, efficiency, and reliability to meet your needs.

SDEC's Diesel Generator Sets are equipped with a powerful, fuel-efficient engine and are available in 10-1000KW power outputs. These generators are designed to run on 220V/ 380V/ 400V/ 415V/ 440V/ 480V voltage and offer both air and water cooling systems for maximum performance and reliability. They are also equipped with electric or manual starting systems for easy and reliable starting.

All SDEC Diesel Generator Sets are ISO9001 certified to ensure the highest quality and performance. The minimum order quantity is 1 unit and the price is available on negotiation. Shipping is available in wood cases and delivery time is typically 10-15 days. Payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. SDEC offers a supply ability of 1000 pieces per week.

## Customization:

SDEC Diesel Generator

Brand Name: **Sdec**

Place of Origin: **China**

Certification: **ISO9001**

Minimum Order Quantity: **1**

Price: **Negotiation**

Packaging Details: **Wood case**

Delivery Time: **10-15 days**

Payment Terms: **L/C, D/A, D/P, T/T, Western Union, MoneyGram**

Supply Ability: **1000 pieces per week**

Frequency: **50/60Hz**

Control System: **Automatic/Manual**

Fuel: **Diesel**

Speed: **1500/1800rpm**

Warranty: **1 Year**

SDEC Diesel Generators are designed to provide reliable power at a highly competitive price. Our diesel generating equipment is built with the highest quality components, and is designed to be robust and reliable. Our SDEC diesel power generator is perfect for a variety of applications, such as powering construction sites, providing backup power in case of an emergency, and powering remote locations. With a wide range of diesel generators available, our Sdec Generator is sure to meet your needs.

At SDEC, we guarantee quality. Our diesel generators are certified ISO9001, and each one is tested before shipment, so you can rest assured you are getting the highest quality product. We offer a wide range of customization options, from fuel types to speed, and the best prices. With a minimum order quantity of one, you can get the exact configuration you need. Plus, we offer a one year warranty on all our diesel generators.

## Support and Services:

SDEC Diesel Generator Technical Support and Service

The SDEC Diesel Generator provides excellent technical support and service to customers. Our staff of dedicated technicians are available to respond to your generator related inquiries and assist with technical support and service needs. We have a wide range of services available to meet your needs, including:

On-site technical support and service

Troubleshooting and diagnostic services

Preventative maintenance programs and procedures

Parts replacement and repair services

Technical training and seminars

Warranty service and repairs

Our team of technicians are highly certified and knowledgeable in the latest diesel generator technology. We guarantee excellent service and support for all of our customers.

If you have any questions or need assistance with your SDEC Diesel Generator, please don't hesitate to contact us today.

## Packing and Shipping:

SDEC Diesel Generator Packaging and Shipping:

1. All SDEC Diesel Generator products are securely packaged in a box with foam inserts to protect the product.
2. The box will then be placed in a larger box with additional foam inserts to provide extra protection.
3. The larger box will then be placed in a wooden crate for additional protection and security.
4. The crate will be shipped via ground transportation with tracking information provided.

## FAQ:

Q&A about SDEC Diesel Generator

**Q1:** What is the Brand Name of SDEC Diesel Generator?

**A1:** The Brand Name of SDEC Diesel Generator is Sdec.

**Q2:** Where is the Place of Origin of SDEC Diesel Generator?

**A2:** The Place of Origin of SDEC Diesel Generator is China.

**Q3:** What is the Certification of SDEC Diesel Generator?

**A3:** The Certification of SDEC Diesel Generator is ISO9001.

**Q4:** What is the Minimum Order Quantity of SDEC Diesel Generator?

**A4:** The Minimum Order Quantity of SDEC Diesel Generator is 1.

**Q5:** What is the Price of SDEC Diesel Generator?

**A5:** The Price of SDEC Diesel Generator is Negotiation.
