

1000kva Diesel Power Generator Cummins Engine diesel generator 800kva 1000kva Alternator Generator Factory Price

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: CE
- Model Number: Diesel Generator
- Minimum Order Quantity: 1
- Delivery Time: 30 days
- Payment Terms: \$123,292.00 - \$130,236.00, T/T
- Supply Ability: 100 set per month

Product Specification

- Rated Voltage: 12V, 48V, 110V, 220V, 230V, 240V, 380v, 400V, 480V, 230/400V
- Rated Current: 1804A
- Frequency: 50Hz/60HZ
- Brand Name: Cummins
- Model Number: KTA50-G3
- Starting System: 24V DC Electric Start
- Protection Class: IP21
- Certification: CE, ISO9001, ISO14001

ABOUT US

Guangdong Minlong Electrical Equipment Co., Ltd.

30 Years+ Experience **8000m²** Area **200,000,000+** Billion

Our company has passed the international quality certification system of ISO 9001:2000 and international environmental protection certification ISO 14001:2004. One of the earliest generator experts in Southeast.

The price is the best in the same quality.
The quality is the best within the same price.

Minlong was established in 1995. Its headquarters is located in Foshan, Guangdong, the world power generating unit manufacturing base in the Pearl River Delta, which is the most developed in China. There are many branches and agencies in China. The company has passed the international quality certification system of ISO 9001: 2000 and international environmental protection certification ISO 14001: 2004. One of the earliest generator experts in Southeast

WHY CHOOSE US?

PRODUCT TYPES

Open Type

The open type generator use Cummins, Perkins, Volvo, MTU and Mitsubishi etc engine, assemble with Stamford, Hengsheng, Mecc alle and Leroy Somer etc alternator.
In the same time, we also have ComAp, Deepsea and Smartgen control panel for choose.

Silent Type

Prevent sound effect is good, intermediate frequency and low frequency PUR type flame retardant sound-absorbing cotton, effectively reduce the unit everywhere came out of the different kinds of noise.

Mobile Trailer Type

Mobile diesel generators have a variety of structures and functions, with hand-push, three-wheel, four-wheels, car power station, trailer power station, mobile silent, mobile container power station.
The trailer type suit for 15-1500kw.

Rain-proof Type

Beautiful shape, reasonable structure Good sealing, close box, 2mm plate making, rainproof, dustproof, can work in harsh environment.

Container Type

Container type canopy have 20ft' container and 40ft' container which have all the functions of super silent canopy but suit for generator above 500kw.
